To All Hotel Staff,

I am writing on behalf of my family and myself to sincerely thank you for the excellent hospitality, full assistance following our road accident and the fine standards of Hotel service offered to us during our 5 day stay at your Hotel.

As a family we greatly experienced the "level of hospitality", the "nostalgic setting of the Renaissance Brasserie" and the "outstanding comfort found in every bedroom" as stated in your literature.

We very much look forward to our next stay at the Hotel du Dauphin and will have no hesitation in recommending you to all our friends.

Look forward to seeing you in the future,
Regards and thanks again,

Iain, Jill and Céline _____
